STORM DRAIN ADOPTER

Adopt a  
local storm  
drain and show  
your business'  
commitment to  
community and  
clean water.

By preventing leaves, grass, trash, and dirt from washing down the storm drains near your business, you help protect our local lakes and rivers.

Adopt a local storm drain near your place of business, and pledge to sweep, rake, and pick up on the sidewalk and pavement near the drain.

We'll send you a welcome packet with staff training and safety tips, plus a window cling or sign you can display to show your commitment to the neighborhood and the environment.
